

As you know, The American Society of Highway Engineers (ASHE) is a national organization, composed of engineers, consultants, contractors, manufacturers, suppliers and government personnel, all of whom are involved in the transportation industry. Our ASHE Pittsburgh section, with nearly 600 individual members and 80 corporate members, is the largest.

Each year we celebrate ASHE Pittsburgh Section's Past Presidents. We are very pleased to offer a new format for the event this year. It will be held at the Lexus Club at PNC Park on November 3, 2018 at 6:00 pm. It will be a fun evening including a stationed cocktail reception, awards, and live entertainment by The Lava Game, as we celebrate our Past Presidents.
