

\$2,500 SCHOLARSHIP

CIVIL ENGINEERING

The Pittsburgh Section of the American Society of Highway Engineers (ASHE) is pleased to announce a scholarship program for the 2023-2024 academic year.

Interested students shall complete the attached application and submit all necessary documents by March 31, 2024 to:

Bill Athanas via email at vasilios.athanas@wsp.com (preferred) or
WSP USA, Inc.
c/o Vasilios (Bill) Athanas
11 Stanwix St. Suite 950
Pittsburgh, PA 15222

AWARD

The amount of the scholarship will be \$2,500. The student selected for the scholarship will be announced and recognized at the May 2024 ASHE meeting. A secondary scholarship award may be selected based on quality of applications.

ELIGIBILITY

The applicant must have:

- Citizenship in the United States and home residence in Allegheny, Beaver, Butler, Lawrence, Washington, or Westmoreland County, Pennsylvania.
 - Students residing outside of these counties are eligible with written sponsorship from a current member of the ASHE Pittsburgh Section.
- A high school graduate or presently enrolled in college pursuing a full-time degree in Civil Engineering.
- At least one (1) semester of school beyond Spring 2024 before graduation.

Anyone who has received this award in the past is not eligible.

SELECTION OF AWARDEE

The scholarship will be awarded based on the recommendation of the Scholarship Committee. Applicants will be judged equally based on Scholastic achievement, Extra Curricular Activities, Honors/Awards and responses to questions.

**American Society of Highway Engineers Pittsburgh Section
2023-2024 Scholarship Application**

The following questions will be used to evaluate the candidate's character, community involvement as well as narrative and communication skills. This response must be solely authored by the applicant. Please attach response.

- Describe yourself in terms of personality, talents, past experiences and future plans.
- What is your greatest achievement?
- ASHE is an advocate of the transportation industry. Describe your passion for the transportation industry and the way in which you as a future transportation professional intend to positively impact the industry.

I give my permission to have this information shared with ASHE and the public.
