Dear Colleague:

The American Society of Highway Engineers (ASHE) - Pittsburgh Section, the American Society of Civil Engineers (ASCE), Women's Transportation Seminar (WTS), and the Mid-Atlantic Section of the Institute of Transportation Engineers (MASITE) is requesting your firm's support with our Joint Softball Tournament. The Tournament will be held on June 1, 2024 at the South Park Fairgrounds in South Park Township, PA. The purpose of this event is to provide our members a great networking opportunity in a relaxed, picnic-style atmosphere. Attendees will have the option to register as a softball player or spectator of the event.

To foster networking at the event, the tournament will be structured in a 'hat' format which will require each player to register individually. There will not be an option for pre-registered teams to limit competitiveness and create a level playing field for all teams. Each softball player will be provided with a team shirt on game day to distinguish them apart from other teams.

For a donation of \$100, your organization is invited to share the spotlight and help make this event a success. All of our sponsors will be recognized during the event. In addition, your firm's logo will be placed on the back of the t-shirts to promote your generous donation. *An example of the t-shirt design is attached.*

If your firm is interested in participating in this event, please contact Justin Towsey at jtowsey@msconsultants.com or (412)-264-8701 and provide your firm's logo (preferably in high-resolution and black & white format). In order to ensure that the shirts are printed in time for the event, all logos must be provided by **Wednesday, May 8, 2024.**

Please submit sponsorship on the registration page ([ASHE/MASITE/ASCE/WTS Joint Softball Tournament \(ticketspice.com\)](#)) or send your softball sponsorship check, payable to ASHE Pittsburgh Section, to:

ms consultants, inc
Attn: Justin Towsey
300 Corporate Center Drive
Suite 200
Moon Township, PA 15108

Your payment is due by **Wednesday, May 8, 2024.**

On behalf of all ASHE, ASCE, WTS, and MASITE, thank you for your consideration.

Sincerely yours,

Justin Towsey, EIT
